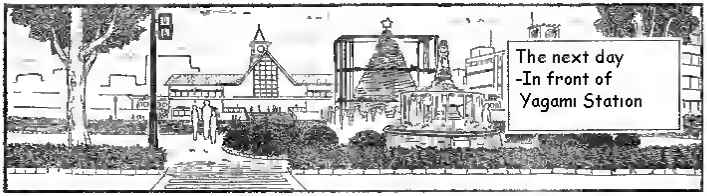
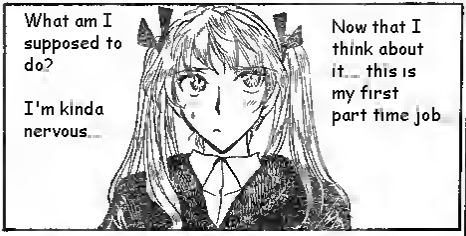
Sawcachika Eri, she came back but she's still being tormented

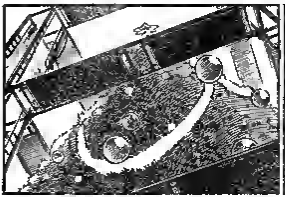
The score is Akira:1 and Mikoto:10
?
Hey wait!!
What the heck are you calling about?!
I guess we have to do it your way
Ah- Takano?
I lost I lost! I couldn't make her confess!
We'll have to rip it out of her... the story of their big kiss
No no- you're expecting too much
Surprisingly she's a chicken
Did they kiss?
Part time work?
Anyways we have to talk about part time work
After all this time, thats all you can say to me?
Lets go
Then it's settled You'll go with us
I'll tell you more there
Eri are you free tomorrow?
Eh?
Ah
I'm free but
There's a job that I ask Mikoto's family to help in every year
You should repay the favor
Mikoto's house has been good to you right?

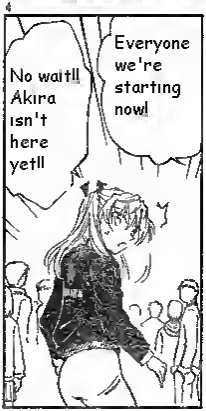


The next day
-In front of
Yagami Station



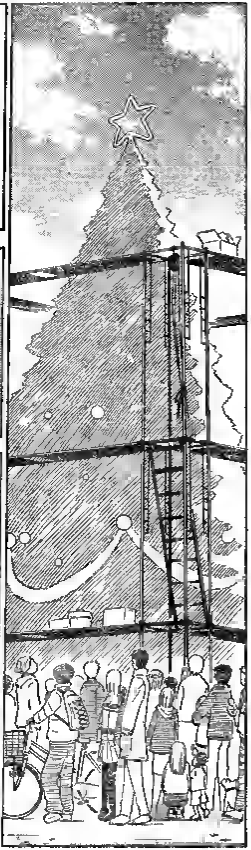
What am I supposed to do?
I'm kinda nervous...
Now that I think about it... this is my first part time job





No wait!! Akira isn't here yet!!
Everyone we're starting now!

They're late! They were the ones that invited me too!
Aren't they worried?



What about you?!
What the- what are you doing here?!
Huh
Suou Akira asked me to help...
.....
Gah! What are Mikoto and Akira thinking?!
Did they just want me to see this girl's face?
.....!!
We were set up!!
Those two...
And I DEFINITLY don't want Hige to save me...
But I don't know what to do here!!
I can't!! I didn't hear any of the instructions!!
...load the truck...
More?
More!

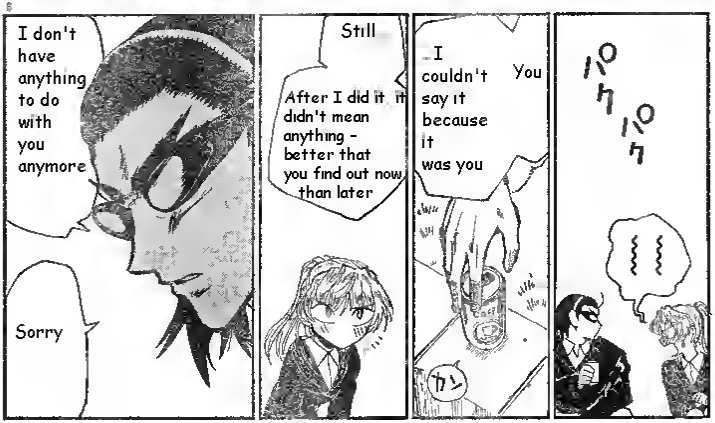
Sawachika Eri, a lot happened during the winter

Hey Reese is your group ready?
Move the candle a bit more to the right~
Is it ok to put this here?
Hey you! Give us a hand will ya?
Ok!
Push it that way
Ok
Ok now pull it!!
Hey you see that? Is that blond girl a model?
Why is she part-timing here?
She's really cute!!
She looks like a high school student!!
Eh?
Hey leave that one to me
This is heavy right?
Is this your first time?
Y-yea
Thought so- I'll show you how it's done
Hmph

But still, answer more like an adult

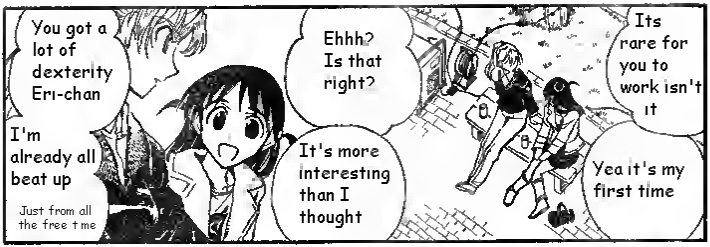
Ok- lets take a break now
Hige
Can I sit next to you?
Part time jobs are so interesting!
At first I was thinking how I wouldn't say anything to you but...
...right now I don't feel like that's the case
Hmm...
Hey!
You
If you have something you want to say then just say it!
You're a man aren't you?
I didn't say anything
I told you
What is it?
I didn't do anything

If you think about it, way too much happened



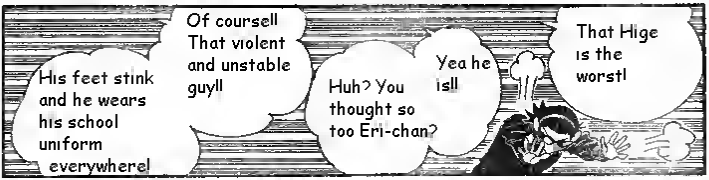
I don't have anything to do with you anymore
Sorry
Still...
After I did it, it didn't mean anything - better that you find out now than later
...I couldn't say it because it was you
You
カン
ハハハ

This guy is JUST a classmate We happened to meet
Ah- No no_
He looks like he's done eating too
Oh thats fine
Eh?
Huh? Or_ is this your boyfriend?
Hey hey- if it's all right with you, want to come eat with me?
.....
Hige you really are the worst
Are you working here too?
Tenma-chan!!
Eh? Nah I'm here to meet someone
Eri-chan!!
Hmph I've realized it
That Ojou must want to rip me and Tenma-chan apart!!
Hey!! You better not say anything!! I just got a bad premonition!!
The more I have to do with you, the more trouble I have with Tenma !!



You got a lot of dexterity Eri-chan
I'm already all beat up
Just from all the free time
Ehhh? Is that right?
It's more interesting than I thought
Its rare for you to work isn't it
Yea it's my first time

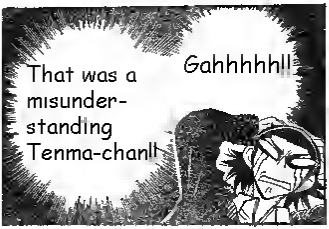
Eh? Harima-kun? Thats troublesome!!
Mikoto introduced me to this... I don't know why Hige is here though



His feet stink and he wears his school uniform everywhere!
Of course!! That violent and unstable guy!!
Huh? You thought so too Eri-chan?
Yea he is!!
That Hige is the worst!

Oh yea! Eri-chan, he'll pick up on any girl when he gets the chance
So you should be careful ok!

Gr...
Why did she have to follow me when I was at my worst...



That was a misunder-standing Tenma-chan!!
Gahhhhh!!

Now that you mention it, he did say something back there
But when he came over to my house before...
I don't know what the circumstances were but did you confirm it?
Thats not what I think actually...
He is definatly a useless guy but...
...I don't think he's the kind of guy to plot something like that

That's what this is all about Tenma-chan!
Everything up till now has been a huge misunder-standing!!
You got me all figured out Ojou!!
I...
Huh?
I don't know what the reason is but
Ojou is protecting me...?

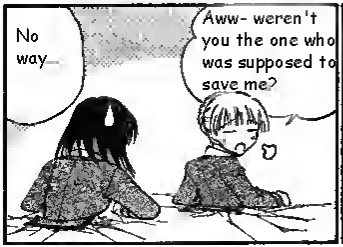
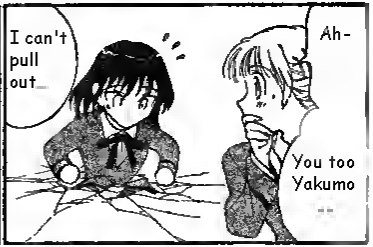
Sara...!
Eh?
For now, I'll contact Yakumo
I guess I have to have someone come and save me

No! Don't!!
What are you doing?
Yakumo!
So Takano-senpai called you too?
ずぼっ!!

Huh ...?
Ah...

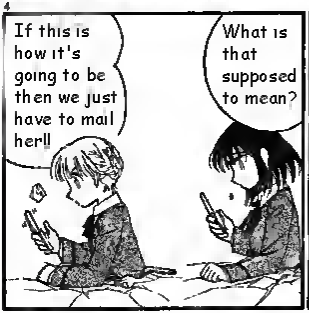


No way...
Aww- weren't you the one who was supposed to save me?



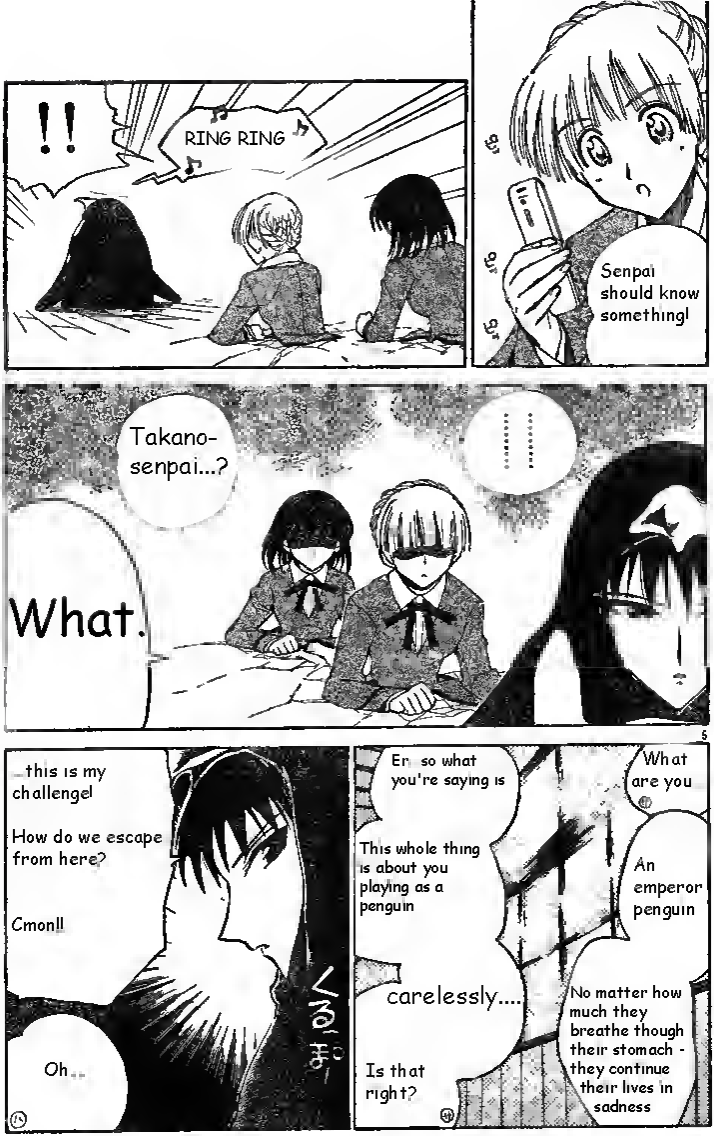
I can't pull out...
Ah-
You too Yakumo ...

Yeah... my legs are dangling
Thats kinda dangerous-
We have to get out of here
We've pierced right though to the 1st floor
Its an old building
.....

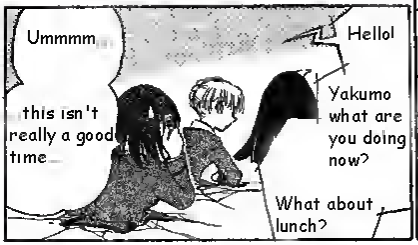


If this is how it's going to be then we just have to mail her!!
What is that supposed to mean?

Did you get a mail from Takano-senpai too?
Yeah
"This is my challenge"
"How are you going to spend Christmas Eve my friends?"



Takano Akira, tea club president- though shes like this



Ummmm
this isn't really a good time
Hello!
Yakumo what are you doing now?
What about lunch?

Ah
Nee-san

Oh really?
I've gotten into a little bit of trouble though
Er
Actually I'm on the 2nd floor of the school

I'm actually not that far from there! Hold on I'll give you a hand!!
Byeb ye!!
She didn't hear the whole story
Ah

But-but if she sees us in this condition
Sorry to keep you waiting Yakumo!
Senpai don't say that!
It feels like she just gave us the punchline
Ye... yeah...
Tsukamoto-senpai is comming?

Tenma answered their expectations - Takano's aways...

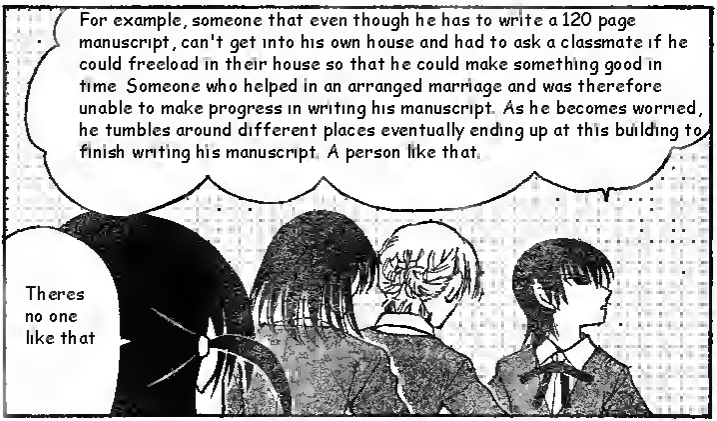
Whats with this strange conversation
...am... am I really going to do this...?
Just try it! Try your best Yakumo!
But...
How do I...
.....!
.....!
.....
Eh...
Eh?!!
Yakumo you have special powers?!
I have one too! I can bend spoons!
Just a l ttle though
Of course t didn't
Thats strange!!
It was no good~~?!
Hes not comming...
Can you call Eri and the others?
What should we do?
Eh?
Aww~ it looks like he can't come then~
Oh- I think he said that he was getting new glasses...
Hanai-senpai
It looks like we really can't call them~
Eri is at some kind of partty
Mikoto is on a date with Asou
Eh? Hanai senpai?

I'm so hungry...
.....
What are we doing anyways...
Yeah...
Everyone is out having a wonderful fun Christmas
Grandma Sarah!
I...I can't take it anymore~~
Nooo! Yakumo if you fall asleep you'll die!!
ほんほんほんほん
And if no one comes to save us...
Then in the end...
Eh...
I asked that when I first came in here...
anyways,
No one has asked why I'm a penguin
Wha-! Why did you get bigger?!
Because I'm a penguin
No fair!! You're the only one still young !!
No way!!
Why am I wearing this?
not good enough

Good news
Senpai... you were able to slip out from the beginning?
Looks like you girls are in an embarassing and interesting position...
I'll keep this memory in my camera ....!
This game...
is mine...!!
...you're a bit closer now
Well...
If someone decides to do something in the room below they might notice us
Well now theres no one that can save us now-
This is how we're going to greet the new year...
Awww

Takano Akira, miraculously miscalculated

Yeah
for example
the first floor?
During winter vacation?



For example, someone that even though he has to write a 120 page manuscript, can't get into his own house and had to ask a classmate if he could freeload in their house so that he could make something good in time. Someone who helped in an arranged marriage and was therefore unable to make progress in writing his manuscript. As he becomes worried, he tumbles around different places eventually ending up at this building to finish writing his manuscript. A person like that.
Theres no one like that

Damnit
Shall we continue?
Well then

And now, we return to the present

looks like we're getting serious eh?
Not really

Don't you get it Asou?
When you do something you don't normally do its easy to find faults in your game
No thats not it...
Shut up- say something like that after you stop me

Your special move is the straight drive isnt it?

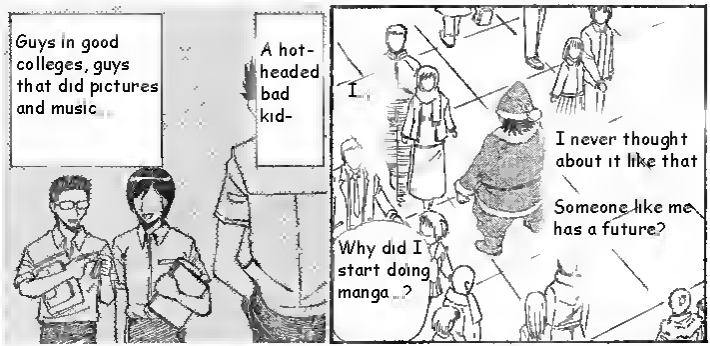
My future huh...



Guys in good colleges, guys that did pictures and music...
A hot-headed bad kid-

I never thought about it like that
Someone like me has a future?
Why did I start doing manga...?

Tenma can read it as much as she wants after right?
Is this the only time for me to grab this chance?
-I need to deliver this to the publication company

Tsukamoto Tenma, her present to Karasuma was in production. Confirmed

-Sorry Tenma-chan
Whew! I'm finally done!
I wasn't sure I'd finish but somehow I made it in time!
It's a bit big though
Karasuma-kun will be so happy!

The feeling between them is just like the weather...

The misunderstanding still hasnt been undone

I'll never understand what you're thinking Harima-kun!

If she would only read my manga, she would be able to understand how I feel...
Its no good...

Just what am I afraid of anyways...?
I'm bad at this...
Yet another misunderstanding...
Originally, wasn't this the important thing I wanted to protect...?!
My manga...
Before I met her I was nothing but garbage
I've been fighting over myself for nothing...

What was with that dream!
Whew, am I glad to see you!
Right now I'm part of the show but...
Oi! Harima!

Thats my line!
While I'm doing this Tenma-chan and Karasuma san....!!
If this is what she wanted me to do I don't want to do it

Wow! It really feels like New Year's with that shishimai dancing!

Hey let it bite you a little bit

Ehhh~~ No way its scary

Hmm...

Why am I starting my year like this?

And I had such a nice dream too...

Something good will happen if you bite?

That shishimai is evil...

Looks like this will be a good year for you Imadori-san!
Wheee! I was bitten!!

Hmmm?
Kyaaaa! Imadori-san !!

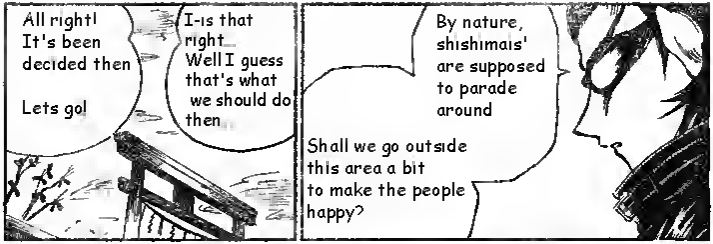
The person being bitten looked real too!
Ohh_ the shishimai this year is so lively!



All right! It's been decided then
Lets go!
I-is that right... Well I guess that's what we should do then...
By nature, shishimais' are supposed to parade around
Shall we go outside this area a bit to make the people happy?

Ah- I'm tired of drinking coffee... Where should we go?
The game center is crowded-
Hey- what kind of clothes should we buy next?
Haven't you bought too much already?

This kite needs more than one person
I want the honor of our school to stand out
Tougou-kun is doing it too

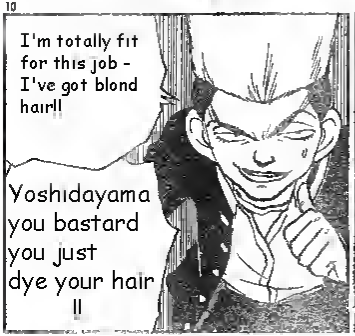
He-hey! Why do I_!
Eri, it makes sence
OOH! Eri-san would be perfect for the job!
And now everyone wants to be the one that works with her---!

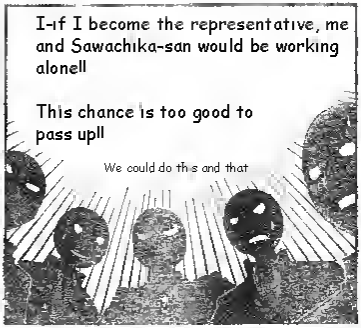
Obviously it should be Hanai-kun but___
Thanks Sawachika-san
Ok then_ now we need a male one I guess

You better remember this Tenma!
I_I guess theres no helping it~~~
Fine
If it's alright with you guys_

Anyways we need to decide who will replace him then
He hasn't been here all day it seems___
Looks like we're limited today because hes absent



I'm totally fit for this job - I've got blond hair!!
Yoshidayama you bastard you just dye your hair !!



I-if I become the representative, me and Sawachika-san would be working alone!!
This chance is too good to pass up!!
We could do this and that

Ummm... Actually I'm a big fan of the Beatles...

Thats got nothing to do with this!!
Just shut up!
DAS (in English)

We have to look for someone who loves England with all his soul!!
Hey HEY! Everyone calm down!!
We have to stop this terrible battle!!

Hey, how about this?
Lets make the person who has the best English grade the person

For the school trip to England, Harima and Sawachika were chosen to be the class representatives
Meetings started immediately but Harima's reluctance to work is angering Sawachika-

I don't know anything about that place
It might be hot it might be cold, maybe mild
The pyramids are there too right?
England ?
162 Men in Black

Wha- and make me do this whole mess myself ?
Your dad is English right? Doesn't that make you European?
Theres no way I'd like doing this! If you got a problem fire me
What?! You ! And to think I thought that you would make a good representative !!

It doesn't matter what you say- as long as I live I'll never study English!!
You'll have to take me down first!
I really really hate English!!
Work by yourself!
Don't toy with me! I can't move on without you!!
Are you just planning to make me embarassed ?
Shut up- You're not getting anything from me

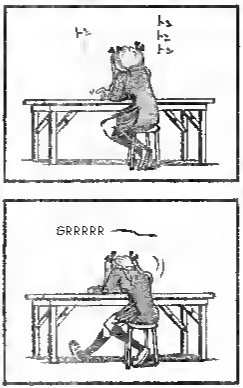
Hey, hey Miko-chan do you know any English?
Its impossible for me- I'd be worried to do anything alone
Blah- I don't think this makes me a delinquent anyways

Still It's going to be so much fun with all the English speaking people around!!
Well Sawachika is with us so we don't get lost... as long as shes with us we'll be ok

2

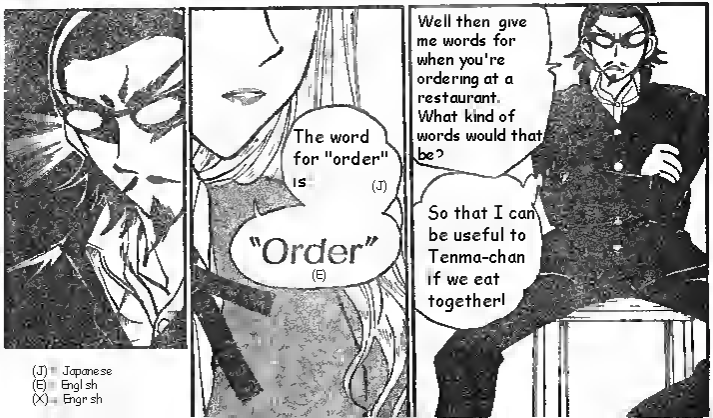


Harima Kenji, for 2 years hes had that hige (moustache)

Mature by a little bit, Sawachika Eri

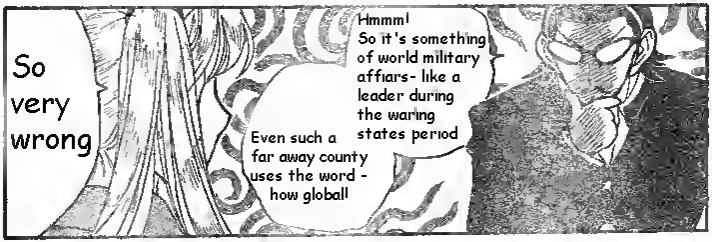
First teach me some easy English for warm up-
I don't remember much now
Eh...
Now I have the proper attitude to go on the trip with- My policy has changed
Hey- Ojou I've changed my mind!

3



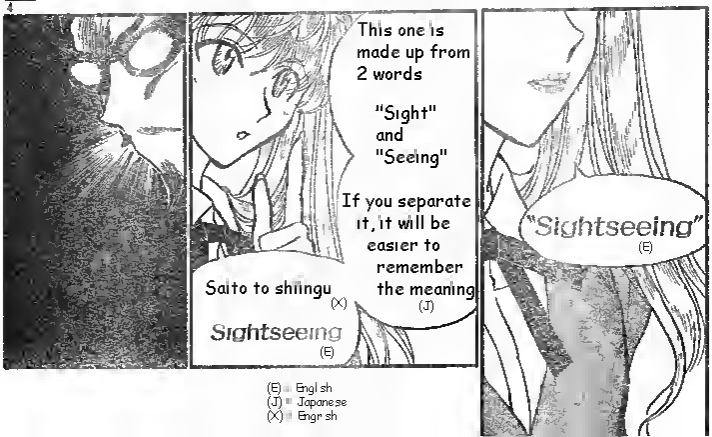
The word for "order" is (J)
"Order" (E)
Well then give me words for when you're ordering at a restaurant. What kind of words would that be?
So that I can be useful to Tenma-chan if we eat together!

(J) Japanese
(E) English
(X) Engrish



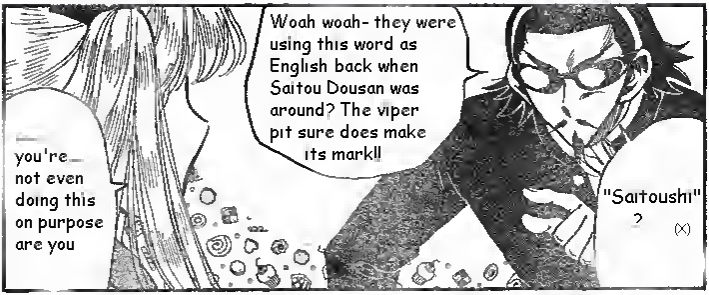
So very wrong
Even such a far away county uses the word - how global!
Hmmm! So it's something of world military affiars- like a leader during the waring states period

first I'll teach you from the word
Sightseeing?
Next is "sightseeing" for target conversation
Now see here.. Oh never mind- Next word..
Maybe we moved too fast

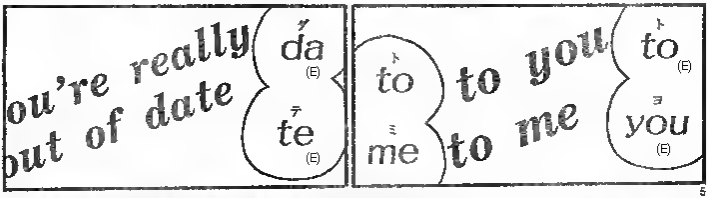


This one is made up from 2 words
"Sight" and "Seeing"
If you separate it, it will be easier to remember the meaning (J)
Saito to shiingu (X)
Sightseeing (E)
"Sightseeing" (E)

(E) = English
(J) = Japanese
(X) = Engrish

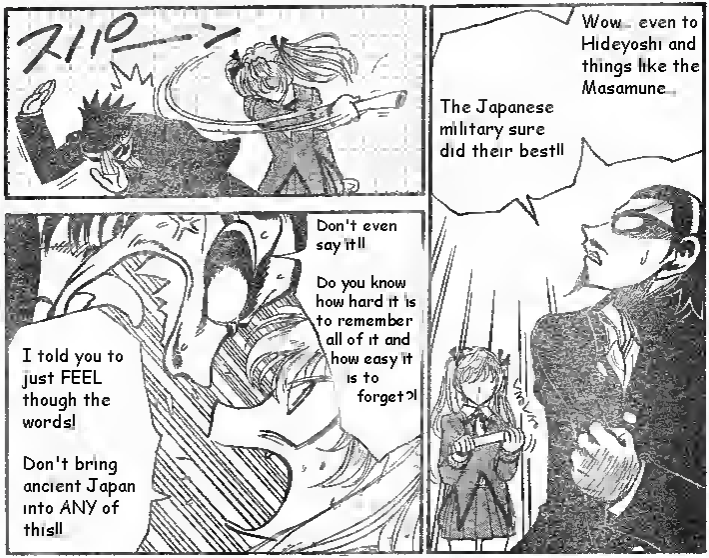


Woah woah- they were using this word as English back when Saitou Dousan was around? The viper pit sure does make its mark!!
you're not even doing this on purpose are you
"Saitoushi" ? (X)



5

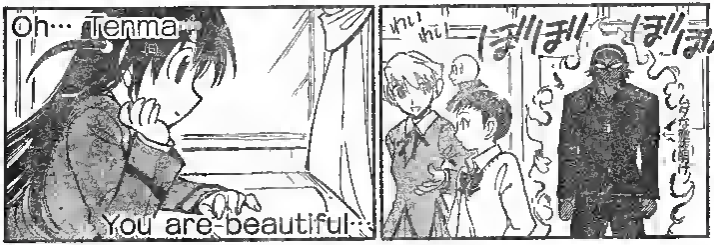
Whiskey、ウイスキー、威士忌。
(E) (E) (X)
Above cedar



スリーン
Wow even to Hideyoshi and things like the Masamune
The Japanese military sure did their best!!
Don't even say it!!
Do you know how hard it is to remember all of it and how easy it is to forget?!
I told you to just FEEL though the words!
Don't bring ancient Japan into ANY of this!!

Those Japanese people
Said to the foreigners "hamu chi desu" and were laughed at
Do you understand?
It's like this
People from the Edo period went to another country and asked the native "How much is this?"
In other words
"How much is this?"
(E)
Hey
You messed up again lik they did - you would be laughed at
Ha ma chi desu
(X)
Hao machi zudisu
(X)
Hao maachi izu disu
(X)
Eh? What?
I see
I read it!!
Geez, unless we do it like this you forget so quickly
Putting samurais and stuff in there make it sound like the meaning is gone
I won't let that happen!!
order please
(E)
"Oda"? Oda Nobunaga is a Japanese person Harima-kun!
In other words even if I did learn the English and used it...
Of course! Tenma-chan is the same as me- we would mess up in the same way!

Mwahaha... I made sure to check for all the words that Tenma-chan would mix up - if she doesn't understand then I guess theres no helping it!
The next day



Oh… Tenma…
You are beautiful…
ぼ!ぼ!ぼ!ぼ!

With this, I have a direct line to our wedding! (J)
Go Straight! (E)
……完璧だ!!
Perfect

Come with me
(E)
Let's go speak English together

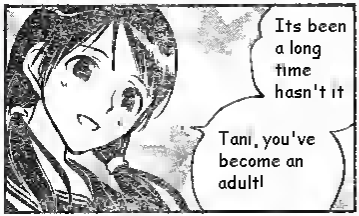
What are you doing here ?

Yurippe



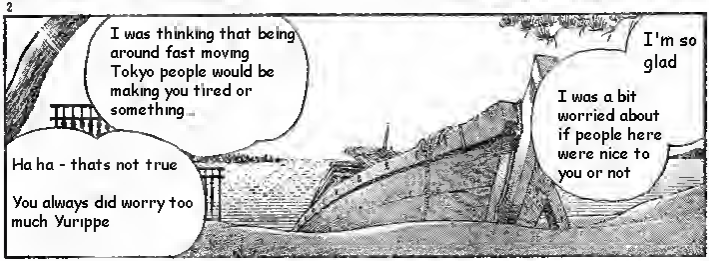
Its been a long time hasn't it
Tani, you've become an adult!

Ah. Ha ha ha- thats right this must be a dream!
I must've collapsed because of the fever!

everything is just fine

.....

So how is everything?



I was thinking that being around fast moving Tokyo people would be making you tired or something...
Ha ha - thats not true
You always did worry too much Yurippe
I'm so glad
I was a bit worried about if people here were nice to you or not

Being with Yuripe is a sweet and sour memory

Eh?
Have you fallen in love?
Oh thats right!
Wha-what is it?
Nope, sorry I dont
Oooooohhh! You have a girlfriend then?
Yeah I have!
yea
Er...
Thats no good Tani! Age doesn't really matter !!
Ah ha ha- its because all the girls look like they could be my daughter
Ehhhh!?
In a school with so many girls?
3
You thought so too right?!
I- I was the prettiest back then!
That was back in middle school
We were neither kids nor adults
Am I no good ?
!!?
Hey...
Huh?

And everything shined so bright-

Back then love was everything!

It was a really big deal!

_we treasured the small things

We still didn't know anything_

Thats why_ thats why the only thing we could trust were our own feelings!

It was pure!

It was beautiful!

The fever is getting worse again

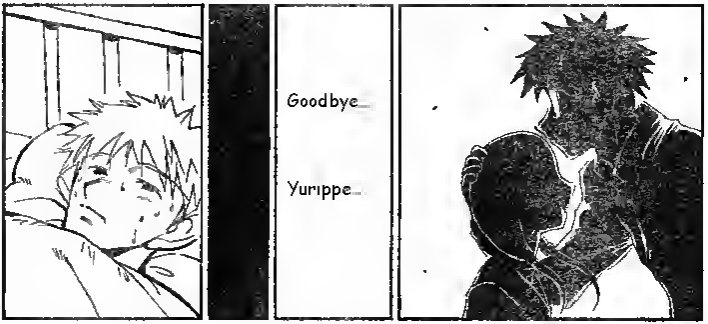
Ugh

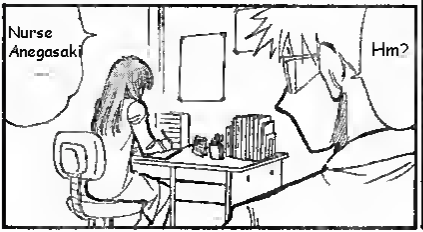
ゼゼ

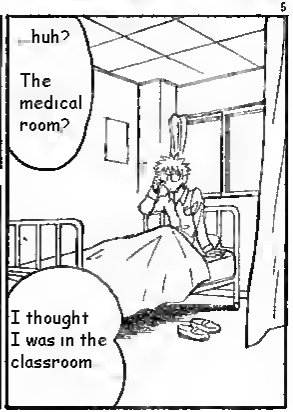
Of course you think your love now is the real thing!

But it was different back then!

So, like this, softly...







It must be my imagination
You're face looks a bit red
Ah
Yes I was
You've been letting me get some rest?
Eh?
I said something strange while I was sleeping!?
Could it be that
Wha-!
I'll keep it a secret from the kids- don't worry
Ummm
Thats so Embarassing -II
Hmm yes
6
You know she kind of looks like Yurippe
Er
In front of Tae-san of all people!!
I heard you say some things
The mood is kinda tense but

Shes not Yurippe...
But that can't be right...
Did you really just ask me that?!
Was Yurippe your first love?
7
I was young
We used to play on the fisherman's beach
Our games were so much fun
She was such a good person
Eventually I had to go to Tokyo...
huh? What am I saying
.....
Nurse Anegasaki...
Would you like to go to the beach with me next time...?

The past is past - there is a meaning in moving on

After a small fever - two people frightened

Wow! It's so cold! I think its just getting colder today!
Huh? You told Sagano and Ichijou about this too?
Finally we got to meet you guys
Oh! They're doing it already!
Well, anyways, let's eat!
It's just like Sagano to be in high spirits

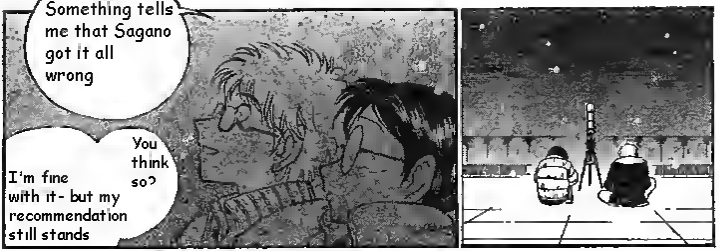
Well then, now that we're in this warm place- it's time for us to talk about how our love lives went this year!
Ehhh?! Why did it become time for THAT?
Cmon! This is what 3 girls do when they get together on Christmas!
He-hey!! I'm here too you know...
They're not listening...
Heh heh heh! How nice of you to ask!
I was able to form 10 couples this year!
A new record!!
Well how did you do Sagano?
4
You think so? I...
I guess I haven't done much since I got into this school
This is bad- it's already the 2nd year too...
That's because I haven't changed at all from before!
Hey thats not fair Sagano!
I guess you haven't changed either Ichijou

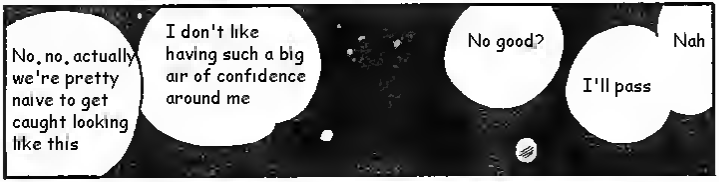
Sagano, Ichijou, and Tsumugi, has been in the same class since middle school

...and the 4 of them are band-mates. Confirmed

Oh that's not true Ichijou- you've been through a lot this year, like
It's not what you think! That was Kousuke!!
Heh heh small details! You definatly gave it your all this year Ichijou
You sang in front of Imadori, you invited him to your house and
Well Yuuki, how was your year?
Nothing in particular
Eh
Just watching the stars with you girls now I guess
5
I'm gonna go get some coffee- you want anything?
It's gotten colder
You are? Well then
Stop!! Leave that to us!
You two just stay here ok?

Things they couldn't talk about in the classroom





No, no, actually we're pretty naive to get caught looking like this
I don't like having such a big air of confidence around me
No good?
Nah
I'll pass

Guess thats how it seemed to you
That's such an insincere thing to do

They thought we looked suspicious so they high-tailed it out of here

I think you're pretty cute like that though
Did Something happen today?
What do you mean?
I don't get what you're saying
Don't underestimate me
It's because I'm a quiet book girl

That's what it looks like to me
Any girl in love is pretty
